## SCOPE OF THE JOURNAL

International journal of Biomedical Engineering and Science (IJBES) is a peer-reviewed, open access which focuses on the latest advances, applications and future trends in the area of Biomedical Engineering. The journal documents practical and theoretical results which make a fundamental contribution for the development of Biomedical Engineering and science.

### Topics of interest

- Biomedical Electronics
- Clinical BioChemistry
- Biomechatronics
- Biomaterials
- Biophysics
- Biomechanics of injury and wound healing
- Bionics
- Cellular, Tissue and Genetic Engineering
- Medical Engineering Systems & Applications
- Biomedical Intelligence & Clinical Data Analysis
- Orthopedic Bioengineering
- Rehabilitation engineering
- Systems Physiology
- Bionanotechnology
- Bioinformatics of Diseases
- Bioinstrumentation
- Neural Engineering
- Toxicology
- Immunology
- Social and preventive medicine
- Sport and exercise medicine
- Injury Prevention and Health Protection
- Medical Robotics
- Computational Systems Biology

### Review Process

Submissions are accepted for review with the understanding that the same work has been neither submitted to, nor published in, another publication. Simultaneous submission to other publications will result in immediate rejection of the paper. Papers are not within the journal scope will be rejected immediately after the pre review process.

All manuscripts will be subject to a well established, fair, unbiased peer review and refereeing procedure, and are considered on the basis of their significance, novelty and usefulness to the Journals readership. The reviewing structure will always ensure the anonymity of the referees & it will be reviewed by 3 experts in the field. The review output will be one of the following decisions:

1. Accept
2. Accept with minor changes
3. Weak accept with major changes
4. Reject

The review process may take approximately two ~three months to be completed. The Editor reserves the right to reject a paper if it does not meet the aims and scope of the journal, it is not revised well.

Publication charges: 120 USD (Maximum 20 pages)
